RENT TO OWN was established as an alternative to mini-warehousing. Our no-strings plan allows you to have your own storage facility for your Back yard or business, when and where you need it. The low monthly rental rates are comparable to mini-warehousing rates per square foot. You are not required to fill out a credit application nor are you required to keep your building. Rent to Own prices are based on 36 months - pay off at any time with no penalty.
